

Yucca Weekly Update

Councilmember Joyce Clark - City of Glendale, Arizona

Yucca District - where Glendale's past, present and future meet.

April 15, 2011

Bowls for the Hungry.

The March 18 weekly update included photos of me throwing bowls at Kellis High School for the Bowls for the Hungry event. Above you'll see the final product.

The final result of the event was even better, Bowls for the Hungry raised \$1,400 dollars. This surpassed expectations of both DeVry University and the Food Bank. With "one dollar feeding one child one time," they provided 1,400 meals!

— Joyce

Council Appoints Residents to Advisory Groups. The Glendale City Council has appointed several residents to serve on advisory boards and commissions.

Congratulations and many thanks to the following Yucca District neighbors who have volunteered to serve: Shirley Galvez (vice chair), Commission on Persons with Disabilities; and John Kolodziej (chair), Planning Commission.

Residents can request an application to serve on a citizen advisory group or obtain more information by calling the Council Office at 623-930-2249 or visiting www.glendaleaz.com/boardsandcommissions.

Shred It & Forget It. The thought of someone stealing something tangible from you is frightening. The thought of someone stealing your identity can be even more so. The fact is, should someone steal your identity, its after-effects can haunt you for years to come. It's truly devastating. Often times, the victims of identity theft don't even know their personal information has been compromised until it's too late. There are a variety of ways you can protect yourself:

- Do not disclose personal information to strangers via the Internet, telephone, applications or through the mail unless you initiated the contact.
- Order a copy of your credit report from each of the three credit bureaus once a year.
- Install firewall and anti-virus software on all your computers.
- Never leave outgoing mail in your mailbox, especially with checks enclosed.
- Pay attention to your bank and credit card statements and examine the activity for unauthorized charges.
- Limit the items you carry with you, for example don't carry your Social Security card or birth certificate on your person.
- "Shred It & Forget It"

Glendale's Community Action Teams are proud to partner with the Target Corporation and Cintas Document Management Company to offer free document shredding to the community to help combat identity theft. Credit card offers, tax returns, medical bills and old bank statements should be shredded rather than simply thrown in the trash. The "Shred It & Forget It" events scheduled throughout the year offer a fast, convenient, drive-thru service where you can bring up to three standard-size file boxes of documents for secure shredding. The next event is Saturday, April 30th at the Target located at 10404 N 43rd Avenue from 10 a.m. to 2 p.m. or until the shred trucks are full. For more information on identity theft and "Shred It & Forget It," call (623) 930-2571.

Weekend Restrictions on I-10. Southbound Loop 101 near Camelback Rd. will be restricted to a single lane throughout the weekend. Also, the westbound ramps at Dysart and Litchfield roads, Bullard Avenue and Estrella Parkway will be closed intermittently throughout the weekend for ramp paving. Consider using adjacent interchanges.

The Great American Cleanup. The city of Glendale will participate in the Great American Cleanup, the nation's largest community improvement program. Sponsored by Keep America Beautiful, this program takes place annually March through May. Nationwide the program involves an estimated 2.8 million volunteers who help beautify parks and recreation areas, clean waterways, pick up litter, and plant trees and flowers.

If you would like to volunteer to help clean up Glendale neighborhoods and parks, contact the city of Glendale Community Volunteer Program at 623- 930-2915 or email awilkie@glendaleaz.com by Monday, April 18.

Two other short-term projects giving residents the opportunity to get involved are coming up soon, they are: Make Earth Day Everyday, Saturday, April 30 and Join Hands Day, Saturday, May 7. Visit www.glendaleaz.com for more information.

Sahuaro Ranch Park Sports Complex Renovations. The city of Glendale will be reopening the sports complex at Sahuaro Ranch Park, 63rd Avenue and Mountain View Road, with a ceremony at 9 a.m., Saturday, April 16. The facility has been closed since last fall while it received a facelift and renovations.

The public is invited to attend the ceremony where Glendale's Vice Mayor Steven Frate and other dignitaries will speak and throw the "first pitch." Once the ceremony is over a girls fast-pitch tournament will begin with all fields of the complex in play.

The renovations and redesign of the sports complex focused on the lack of shade; opportunities for "green" improvements; and efficiencies in electrical, water and other costs. The design added two multi-purpose fields to the original ball field design to support youth soccer, football and other organized activities. The new design increases comfort and capacity of the

seating areas for viewing events and the fields are now completely handicapped accessible.

The sports complex was originally constructed in 1986 — this year marks the 25th anniversary. Approximately 72,000 games have been played at the complex since it opened.

Around Town

Save the Date:

Yucca District Meeting with
Councilmember Clark

Coyote Ridge
Elementary School
7677 W. Bethany Home Rd.
6:30 p.m.

[Click here](#) for the City Council meeting schedule. [Click here](#) for past Council meeting agendas and minutes. [Click here](#) to watch a City Council meeting online.
